

NOTICE OF SELECTION Nº 02/2026 — PROPEP — CPG/UFAL/PPGE

MASTER'S PROGRAM IN EDUCATION

CALL FOR APPLICATIONS

MASTER'S PROGRAM IN EDUCATION

(FIRST SEMESTER OF 2027)

The Office of the Vice-Provost for Research and Graduate Studies (PROPEP) and the Coordination of the Graduate Program in Education (PPGE) *stricto sensu* of the Federal University of Alagoas (UFAL) hereby make public, through this Notice, the regulations of the Selection Process 02/2026 for the filling of vacancies at the Master's level, with admission scheduled for the first academic semester of 2027, in accordance with the PPGE's Bylaws.

The Program aims to contribute to strengthening educational policies and improving the quality of Education in Alagoas, training teachers and researchers capable of intervening effectively in the region's educational processes. The PPGE is structured into three research lines: Policies, Cultures, and Curricula; Inclusion, Diversities, and Subjects; and Education, Languages, and Technologies.

This Notice shall be valid from the date of its publication until the closing of the enrollments related to this selection process.

PRELIMINARY PROVISIONS

1 - Of the *Stricto Sensu* Selection Process — 2027.1

The Selection Process for admission in the first semester of 2027 shall be carried out under the responsibility of the Office of the Vice-Provost for Research and Graduate Studies (PROPEP) and the Coordination of the Graduate Program in Education (PPGE) of UFAL.

2 - Of the Challenge to the Notice

2.1. A period of July 13 to 14, 2026 shall be assured for the submission of challenges to items of this Notice, which shall be evaluated by the Selection Committee.

2.2. Any candidate may request the challenge of items of the Notice, by means of a written and substantiated petition, addressed to the Selection Committee, to be sent exclusively to the e-mail: selecaoposgraduacao@cedu.ufal.br, within the deadline established in item 2.1, under penalty of preclusion.

2.3. The challenge petition shall indicate, mandatorily, the item, paragraph, or subparagraph to be challenged, accompanied by the proper legal substantiation.

2.4. The responses to the challenges shall be published in a single file, on the official electronic address of the PPGE, within a deadline of up to 2 (two) business days after the closing of the challenge period.

2.5. It shall be incumbent upon the Selection Committee to analyze and deliberate on the challenges submitted, also within a maximum deadline of 3 (three) business days.

PUBLIC SELECTION PROCESS

3 - Of the Registration of Candidates

3.1. Holders of a diploma of an Undergraduate course in the field of Education or in related areas, duly recognized by the MEC/CAPEs, may participate in the PPGE Selection Process, at the Master's level.

3.2. Candidates who are completing an Undergraduate course may also participate, if they present, mandatorily, proof of completion of the said course by the date of enrollment in the Graduate Program.

3.3. Foreign students who wish to register must comply with specific criteria established by the institution. Admission is restricted to those who have ties with agreements signed with Brazilian agencies, or who declare, in writing, that they will bear the expenses of stay and food in Brazil, or who have been granted scholarships from their countries of origin. Compliance with these conditions is essential for the registration process, ensuring that institutional guidelines and international cooperation agreements are respected. This policy ensures that academic exchange occurs in an organized manner and aligned with the strategic objectives of the existing international partnerships.

VACANCIES FOR THE SELECTION PROCESS

4 - A total of 39 vacancies shall be offered, considering general vacancies and the quota system. The filling of vacancies shall be carried out in accordance with the approval and ranking of the candidates, considering that they compete for the vacancies made available by the research lines and by the research groups indicated in Table 1.

5 - Of the Filling of Vacancies

The filling of vacancies, in accordance with the offer established in Table 1 of this Notice, shall be carried out in accordance with the approval and ranking of the candidates, considering that each candidate shall compete for the vacancy(ies) made available by the research group previously indicated at the time of registration.

5.1. There is no obligation to fill all vacancies offered in this Notice.

6 - Of the Reservation of Vacancies (Affirmative Action Policy)

6.1. In accordance with Resolutions No. 37/2022 and No. 82/2022 — CONSUNI/UFAL, of the 39 vacancies offered for the Master's program, 60% (sixty percent) are reserved for the affirmative action modalities contemplated in this Notice, distributed as follows:

- 20% (twenty percent) for Black persons (pretos and pardos);
- 10% (ten percent) for persons with disabilities (PwD);
- 10% (ten percent) for trans persons (transgender, transsexual, and travesti), refugees, and settled persons;
- 10% (ten percent) for Indigenous persons;
- 10% (ten percent) for UFAL staff members.

This distribution rule applies exclusively to Master's vacancies, as detailed in Table 2 of this Notice.

TABLE 2: Vacancies distributed by demands

Level	General Open Competition	Affirmative Action Quotas	UFAL Staff Quotas
Master's	15 vacancies	20% Black (8 vacancies)	10% UFAL staff (4 vacancies)
(Total 39 vacancies)		10% PwD (4 vacancies)	
		10% Indigenous (4 vacancies)	
		10% Trans, settled, and refugees (4 vacancies)	

6.2. Candidates who register for vacancies intended for affirmative action quotas shall compete among themselves, and the candidate who obtains the highest final score shall be approved and ranked, regardless of the research line and research group to which they are linked.

6.3. Candidates who register for vacancies intended for UFAL staff members shall also compete among themselves, regardless of the research line and research group, and shall be ranked according to the highest final scores.

6.4. The vacancies reserved for affirmative action and for UFAL staff members are not distributed by research line or research group, that is, there is no obligation to offer or fill these quotas in each research line or research group.

6.5. There is no obligation to fill all vacancies reserved for the quotas provided for in this Notice. Should these vacancies not be filled, they shall be automatically reverted to general open competition, within the same research line.

6.6. Candidates registered as quota beneficiaries shall compete exclusively for the vacancies intended for the quotas, in accordance with Table 2, and subsequent migration to general open competition shall not be permitted.

6.7. The Selection Committee has the authority to grant or deny the registration of quota candidates who do not present adequate supporting documentation.

a) Should the candidacy as a quota beneficiary be denied, the candidate shall automatically migrate to general open competition.

b) The denial may occur during the homologation of registrations or after the Validation Board of Heteroidentification, as the case may be.

6.8. Candidates who self-declare as Black, Indigenous, or trans persons shall be submitted to a verification procedure of the declared condition, before the homologation of the final result, in accordance with Resolution No. 82/2022 — CONSUNI/UFAL.

a) For this procedure, the self-declared candidate shall appear before the Committee for Diversity, Heteroidentification, and Ethnicity (CDHE), in accordance with the said Resolution.

b) Candidates shall be called by Notice for the Validation Board of Heteroidentification, under the terms of Resolution No. 38/2021 — CONSUNI/UFAL.

c) The Notice of Summons for the Validation Board shall be published on the official PPGE website.

6.9. Candidates who self-declare as persons with disabilities (PwD) shall also be submitted to a specific verification procedure, before the homologation of the final result, in accordance with Resolution No. 19/2021 — CONSUNI/UFAL.

a) Self-declared PwD candidates shall be called by Notice for the Verification and Validation Boards of the PwD Self-Declaration.

b) The Notice of Summons shall be published on the PPGE website.

6.10. All candidates, whether from general open competition, affirmative action, or UFAL staff quotas, shall fully comply with all stages of the selection process, as established in this Notice.

6.11. The reassignment of vacancies between research groups, within the same research line, shall only be permitted in cases where there are unfilled vacancies.

OF THE REGISTRATIONS

7 - Registrations for this selection process are free of charge and shall be carried out in the period from 00h00 of July 15, 2026, to 23h59 of August 13, 2026, through the Integrated System for the Management of Academic Activities (SIGAA), via the link: https://sigaa.sig.ufal.br/sigaa/public/processo_seletivo/lista.jsf?nivel=S&aba=pstricto, selecting the number of this notice in the option "Regular Selection Process — Master's of the PPGE."

a) All documentation requested for registration must be inserted electronically during the registration process. Only documents in PDF format shall be accepted. Files in image format shall not be accepted for any of the documents. Should any file be submitted in

a format other than the required one, the candidacy shall be invalidated at any time during the selection process.

b) The candidate shall attach the digitized supporting documents saved only in PDF format, sending them through a specific SIGAA questionnaire, at the time of registration, respecting the period defined in this notice. Registration shall be confirmed after the insertion of all required documents.

c) Registration shall be effected with the confirmation generated by the system, which shall be printed for possible needs of proof.

d) For each item of the registration questionnaire, the sending of only one document is permitted. Should the candidate need to insert several documents in a single item, they shall compress them into a single file, saved in PDF format.

e) In the process of homologation of registration, the documents attached by the candidates shall be checked by the Selection Committee. The subsequent inclusion of documents shall not be permitted. Incomplete registrations sent improperly or outside the deadlines established in this notice shall be denied.

f) The inclusion of any document after registration shall not be accepted.

g) The candidate who opts for the quota system vacancies shall attach, at the time of registration, the specific self-declaration form, contained in Annexes 1, 2, 3, 4, and 5 of this notice.

7.1 - Required documentation for registration (all documents in PDF format):

a) 1 (one) 3x4 photo;

b) Identity Card or legal identification document with photo or, in the case of foreigners,

c) Passport, National Registry of Foreigners (RNE), or similar document;

d) Individual Taxpayer Registry (CPF);

e) Copy of Diplomas/Certificates or Declarations of Course Completion, when applicable;

f) Registration Form (Annex 8) duly filled out and signed, under the responsibility of the candidate;

g) Dissertation Research Project, containing only the identification of the research line and the research group, as described in Annexes 9 and 10. IT IS PROHIBITED, under penalty of denial of registration, to insert name, RG, CPF, or any other identification in the project. The project shall be sent in PDF format, and the file name shall contain the CPF number in the following format: xxx408.234xx.pdf;

h) Descriptive Academic Memorial, in accordance with Annexes 16 and 17 (maximum of 5 pages);

- i) Curriculum Vitae, mandatorily filled out in the Lattes-CNPq form (<http://lattes.cnpq.br/>), duly proven with a copy of each of the titles and activities developed in the last 4 (four) years. Other curriculum models shall not be accepted. Do not include documents other than those required in Annex 15;
- j) Digital copy of the specific self-declaration form (Annexes 1 to 5 of this notice) - mandatory item for all quota candidates, in accordance with Resolution No. 82/2022 - CONSUNI/UFAL;
- k) Digital copy of the certificate of belonging to the Indigenous or Quilombola community (only for Indigenous and Quilombola Black candidates);
- l) Digital copy of the medical report (only for persons with disabilities), in accordance with Annex 6;
- m) Digital copy of the Descriptive Memorial, required for Black, Indigenous, trans, and/or persons with disabilities candidates, in accordance with item 7.5;

7.2 - Additional rules on documentation

Documents shall be digitized without erasures. The absence of any of the mentioned items or the illegibility of the digital copies shall prevent the granting of registration. Under no circumstances shall printed documents be accepted.

7.3 - Requirements for PwD candidates:

Candidates for PwD quota vacancies shall attach, at the time of registration:

- a) Specific self-declaration form (Annex 5);
- b) Medical report, in accordance with Annex 6.
- c) Specific request for detailing accessibility conditions — Biopsychosocial Assessment Form (Annex 7).

7.4 - Analysis of medical reports:

The medical reports of candidates selected for PwD vacancies shall be forwarded for analysis regarding the International Classification of Diseases (ICD) and the International Classification of Functioning (ICF), aiming to certify the existence of significant impairments and restrictions in social participation. This is the first stage of the PwD condition verification and validation process and shall be complemented with the analysis of Annexes 5 and 7 and a biopsychosocial interview, when necessary.

7.5 - Memorial for affirmative action:

Black, Quilombola, Indigenous, trans, and/or persons with disabilities candidates shall present a Descriptive Memorial, mandatory, with at least 2 (two) pages, typed or handwritten, reporting their personal, school, and family life trajectory, as well as their

motivations for pursuing the Master's program at the PPGE, in accordance with Resolution No. 82/2022 — CONSUNI/UFAL.

7.6 - Certificate of belonging for Quilombolas and Indigenous persons:

Quilombola and Indigenous candidates shall attach a certificate of belonging to their respective community, issued by local leadership recognized by the Palmares Cultural Foundation, by the National Coordination of Articulation of Rural Black Communities (CONAQ), or by Indigenous leaderships, or by the National Foundation of Indigenous Peoples (FUNAI), in accordance with Resolution No. 86/2018 — CONSUNI/UFAL.

7.7 - Document for UFAL staff members:

The candidate who competes for vacancies intended for UFAL staff members shall attach, at the time of registration, a document proving effective and updated ties with the institution.

7.8 - Denial due to incomplete documentation:

The candidate who does not electronically submit complete documentation shall have their registration denied, without right to appeal.

7.9 - Technical responsibility:

The PPGE and the Office of the Vice-Provost for Research and Graduate Studies (PROPEP/UFAL) shall not be responsible for technical problems related to the sending of documentation.

7.10 - Verification of original documents:

The approved candidate shall present the original documents for authentication at the time of institutional enrollment at the PPGE secretariat.

7.11 - Prohibition of subsequent inclusion of documents:

No additions of documents shall be accepted after registration, nor shall registration with absence of documents required in this notice be homologated.

7.12 - Acceptance of the conditions of the notice:

Registration in the selection process implies knowledge and tacit acceptance of all conditions established in this notice and its annexes, and no allegation of ignorance shall be admitted.

7.13 - Responsibility for the information:

The information provided in the registration form shall be the sole responsibility of the candidate. Filling out with false or insufficient information shall subject the candidate to legal sanctions and exclusion from the competition.

7.14 - Limitation of registration:

Each candidate may carry out only one registration, choosing a single research line and a single research group.

7.15 - Form of submission:

Registrations or sending of documents by Mail, e-mail, or in person at the PPGE secretariat shall not be accepted.

DOCUMENTS FOR APPLICATION

8 - Of the Experience in the Field of Education

For candidates who compete for the PPGE vacancies, at the Master's level, and who are completing or holders of a diploma of Undergraduate courses in areas related to Education, proven experience in the field of Education is required.

8.1. The proof of experience for graduates from other areas shall be presented through supporting documentation, to be attached at the time of registration.

8.2. The proof of experience in education may be made through documents such as: Work and Social Security Card (CTPS), employment contracts, declarations from educational institutions attesting to the exercise of teaching, term of office or appointment, declaration of exercise of teaching activity, Certificate of Contribution Time (CTC), or Contribution Statement from the INSS (CNIS).

9 - Of the Responsibility for the Documentation

The PPGE shall not be responsible, under any circumstances, for failures in the issuance or transmission of documents via the internet, nor shall it receive any document related to registration after its closing.

13.1. The result of all phases of the competition shall be published by means of the CPF or registration number in the SIGAA of the candidate.

14 - The Evaluation of the Research Project, the first stage of the selection, is of an eliminatory nature, followed by the Written Examination, also eliminatory.

14.1. The Research Project shall contain at least 12 (twelve) and at most 20 (twenty) pages, including the cover page and References. It shall be presented in accordance with the recent ABNT standards and the following formatting: A4 paper; font 12; Times New

Roman; spacing 1.5 between lines (except in quotations); the margins shall obey the following spacing: top margin 3cm, bottom 2cm, left 3cm and right 2cm; quotations of up to three lines shall be in quotation marks, in the body of the text, with the same type and size of font as the normal text; quotations from four lines shall be in Times New Roman 10, with left indentation of 4cm.

14.2. The Research Project shall present the following structure:

- COVER: title of the project, Research Line and Research Group competing for the vacancy. (Do not indicate any type of information that characterizes or identifies the candidate and in no context of the project). The Project shall receive a code, informed by SIGAA.
- JUSTIFICATION: with discriminant of the object and the problem to be investigated, as well as historical contextualization of the research object. Demonstration of the scientific and social relevance of the object, a brief discussion that circumscribes the object to be worked on, and the temporal and geographical delimitation of the study, as well as its insertion in the research group.
- OBJECTIVES: presentation in a comprehensible manner of the general and specific objectives of the project.
- THEORETICAL FOUNDATION: presentation of the hypotheses and theoretical sources that will be worked on in the project, updating, contextualization, and articulation between the sources and the contribution to their object of study.
- METHODOLOGY: typology/approach, location, discussion of the method for the treatment of the sources of the research object and methods of collection and interpretation of the data that will be collected. Description of the research participants (when appropriate), instruments or techniques of collection and analysis of data.
- TIMELINE: presentation of the necessary stages for the fulfillment of the project.
- REFERENCES: indication of the sources and bibliography cited in the project.

14.3. The Research Project shall be written in Portuguese and the candidate shall, under no circumstances, mention their name in the project nor suggest the advisor professor, under penalty of elimination from the selection process. In the case of a deaf candidate who is a user of Brazilian Sign Language as a first language, the analysis shall consider that the writing was done in a second language (Portuguese — written modality).

14.4. Should the Research Project not have adherence to the proposition of the ongoing Research developed by the chosen research group (Annex 10), the candidate shall be disqualified.

14.5. The Research Project shall be evaluated in accordance with the aspects described in Annex 11 of this Notice and its evaluation is of an eliminatory nature.

15 - The Written Examination, of an eliminatory nature, shall take place in person at the Center for Education — CEDU/UFAL and on a specific day according to the calendar available on the PPGE website.

15.1. The Written Examination shall take place ONLY with candidates approved in the Evaluation of the Research Project.

15.2. For the Written Examination, twice the number of vacancies offered by Research Group shall be called, among the candidates approved in the previous stage. Example: If the research group is indicating the offer of 3 vacancies for the Master's program, 6 candidates approved in the Evaluation of the Research Project stage shall be called for the written examination.

15.3. The Written Examination is a textual production of the argumentative-dissertative type, with a minimum of 2 (two) pages, on the theme presented at the time of the written examination, based on the bibliography recommended for the research line (Annex 12).

15.4. The Written Examination shall be evaluated in accordance with the aspects described in Annex 13 of this Notice and its evaluation is of an eliminatory nature.

16 - The Defense and defense of the Research Project is of an eliminatory nature and shall consist of the argumentative discussion about the Research Project delivered at the time of registration.

16.1. ONLY candidates who are approved in the Evaluation of the Research Project and in the Written Examination shall carry out the Defense and defense of the Research Project.

16.2. The Defense and defense of the Research Project shall take place in person at the Center for Education - CEDU/UFAL, according to the calendar available on the PPGE website.

16.3. The Defense and defense of the Research Project, of an eliminatory nature, shall take place before a selection board composed of 2 (two) faculty members, with at least one faculty member from the research line in which the candidate is competing, and may also include a faculty member from another research line, or faculty members with a doctoral degree who are linked to Graduate Programs and develop research in areas related to those of the PPGE, indicated by the Selection Committee, lasting up to 30 (thirty) minutes, with 15 (fifteen) minutes for the presentation of the project by the

candidate and 15 (fifteen) minutes for the questioning of the project by the board members. The defense shall be carried out in alphabetical order.

16.4. For the evaluation of the Defense and defense of the Research Project, the selection board shall take into consideration the aspects described in Annex 14.

16.5. Other PPGE faculty members may participate in this stage in the condition of listeners, and the possibility of questioning the candidate at the time of their evaluation is prohibited.

17 - The Analysis of the Academic Memorial and the Curriculum shall be carried out by the Selection Committee and Faculty Members of the Research Line in which the candidate is competing. For curriculum evaluation, only titles whose documentation has proof in the last quadrennium shall be computed in the score.

17.1. The analysis of the Curriculum shall obey the criteria set forth in Annex 15 of this Notice.

17.2. Titles presented that exceed the maximum score provided for in Annex 15 shall not be considered for scoring purposes.

17.3. The analysis of the Academic Memorial shall obey the criteria set forth in Annex 17 of this Notice.

18 - In each eliminatory stage, the candidate who competes for general open competition vacancies shall be considered Approved or Ranked if they obtain a score equal to or greater than 7.00 (seven) in the stages of the selection process.

19 - In accordance with the provisions of Resolutions No. 37/2022 and No. 82/2022/CONSUNI-UFAL, a candidate for quota vacancies shall be considered Approved or Ranked if they obtain a score equal to or greater than 6.0 (six) in each stage of the selection process.

19.1. The scores of quota candidates shall be published separately from general open competition candidates.

20 - The Final Score of the candidate shall be made from the average of all stages of the selection process, considering the respective weights.

20.1. The candidate may be approved, but not selected, observing the number of vacancies made available in item 4 of this Notice.

21 - The PPGE, represented in the figure of the Selection Committee, reserves the right not to fill all vacancies made available in item 4 of this Notice.

21.1. Candidates shall be selected up to the number of vacancies provided for in item 4 of this Notice. The final ranking of candidates shall be carried out in descending order of

the final score and availability of vacancies within the research line in which they are competing.

22 - In the event of a tie in scores, the following tie-breaking criteria shall be used in the respective order: candidate who obtains the highest score in the Defense and defense of the Research Project; candidate who obtains the highest score in the Written Examination;

23 - The quantity of vacancies established for each line may not be altered. In the event of excess vacancies in a given research line, these shall not migrate to another line.

24 - All eliminatory stages of the Selection Process shall be carried out in person, and it shall be the responsibility of the candidate to provide the necessary means for participation in each of them.

25 - The results of all stages shall be published on the electronic page of the Graduate Program in Education.

26 - The candidate may follow the progress of the process by using the login and password created at the time of registration.

OF THE FINAL RESULT AND APPEALS

27 - The partial and final results shall be published in accordance with the calendar contained in this Notice and its Annexes on the electronic page of the PPGE.

27.1. The candidate may appeal the results of the evaluations. To do so, they must: 1) register the appeal in SIGAA (page <https://sigaa.sig.ufal.br/sigaa/public/home.jsf>), in the candidate's area (Annex 18); and 2) fill out the Appeal Form (Annex 19), and send it to the Selection Committee by e-mail selecaoposgraduacao@cedu.ufal.br (subject: Appeal Notice 02/2026), within the established deadlines.

27.2. For any communication from the candidate regarding this Notice, the candidate shall mandatorily use the same e-mail registered in SIGAA.

27.3. The appeals submitted shall be forwarded for analysis by the Selection Committee, which shall issue a conclusive analysis on the matter, with all members of the board who participated in the evaluation in question necessarily participating in the analysis of the appeals.

27.4. After the results, the candidate may appeal to PROPEP, within a deadline of up to 72 (seventy-two) hours, counted from the publication. To do so, a process must be opened in the General Protocol of UFAL (Rector's Office), directing it to PROPEP/CPG (Coordination of Graduate Studies).

27.5. The result shall be published in accordance with the calendar contained in this Notice and its Annexes on the electronic page of the Graduate Program in Education.

27.6. For the composition of the calculation of the final score of the stages of the selection process, the average obtained from the arithmetic average presented in the following formula shall be considered:

$$\text{NF} = [(3 \times \text{NAPP}) + (3 \times \text{NAPE}) + (2 \times \text{NADP}) + (1 \times \text{NMA}) + (1 \times \text{NAC})] / 10$$

NF = Final Score

NAPP = Score of the Evaluation of the Research Project

NAPE = Score of the Evaluation of the Written Examination

NADP = Score of the Defense and Defense of the Project

NMA = Score of the Academic Memorial

NAC = Score of the Evaluation of the Curriculum

28 — The candidate for the general open competition demand may have access to the evaluators' observations, requesting via e-mail selecaoposgraduacao@cedu.ufal.br, in cases of scores below 7.0 (seven), and the Selection Committee and PPGE Secretariat shall have a deadline of up to 24 hours for the sending of the requested reports.

29 - The candidate for the quota demand may have access to the evaluators' observations, requesting via e-mail selecaoposgraduacao@cedu.ufal.br, in cases of scores below 6.0 (six), and the Selection Committee and PPGE Secretariat shall have a deadline of up to 24 hours for the sending of the requested reports.

- f) Copy of the Diploma or Certificate of Completion of the Undergraduate Course issued by the Institution where the title was obtained, this document must contain institutional authentication and the absence of this document at the time of enrollment shall imply the disqualification of the candidate;
- g) Copy of the Undergraduate Academic Transcript.

30.1. The Foreign Candidate or Brazilian Holder of Diplomas of Undergraduate Courses from Higher Education Institutions (HEI) abroad must have their diploma recognized by

Brazilian HEIs at the time of enrollment in the PPGE, under penalty of elimination if they do not present such proof.

31 - The right to enroll in the PPGE courses shall be granted to candidates APPROVED AND RANKED, respecting the limits of the vacancies established in Item 4 of this Notice and in accordance with the availability of vacancies of the research group to which the candidate opted at the time of registration.

32 - The institutional and academic enrollment of selected candidates shall be made at the coordination of the Graduate Program in Education by the candidate or by their legal representative, in a period to be published together with the publication of the final result of the selection referred to in this Notice and the candidate shall present the required and authenticated documentation.

32.1. Enrollment in the Master's courses of the PPGE shall be carried out by the approved and ranked candidate with a Diploma of Graduation issued by official HEIs recognized by the MEC or Certificate of Completion of the Undergraduate Course with the date of the graduation ceremony issued up to six months before the last day of enrollment in the PPGE. Declarations and/or certificates of completion of the Undergraduate Course shall not be accepted.

32.2. A candidate who is approved and ranked and who does not effect academic enrollment in the period determined in this Notice or in the period published on the PPGE website, after the result of the competition, shall be considered to have withdrawn.

32.3. In the case of an approved and ranked foreign candidate, the presentation of a student visa is required.

32.4. In the event of withdrawal from enrollment, a call shall be made to approved candidates, considering the order of ranking and the availability of an advisor professor.

IX - FINAL PROVISIONS

33 - The registration of the candidate implies knowledge and acceptance of the norms and conditions established in this Notice and its respective annexes.

34 - The candidate shall be excluded from the selection process who:

- a) fails to attend any stage of the selection process; or
- b) presents behavior considered incompatible with the fairness of the competition, at the exclusive discretion of the Selection Board; or
- c) appears at the in-person stages after the time set for the beginning of the defense and defense of the research project and the written examination.

35 - Scholarships that may be made available by funding agencies may be offered to students, meeting the criteria established by the Funding Agencies (CAPES OR FAPESP), by CONSUNI/UFAL, by these institutions, and by the Council of the Graduate Course in Education, and the granting of scholarships to approved and ranked candidates is not guaranteed.

35.1. Possible scholarship grants imply that the scholarship holder must comply with the requirements and commitments established by the funding agency and by the graduate program, and non-compliance with these norms may lead to the suspension or cancellation of the scholarship.

35.2. Approved and ranked candidates from other States do not have privileges in scholarship grants, and are responsible for displacement, housing, and subsistence in the territory of Alagoas.

36 - Changes related to the dates and times of the carrying out of the selective stages, weight and scoring shall be published on the PPGE website.

37 - The Results of the Selection Stages of this Notice shall only be valid for the semester 2027.1, and their use for future selections is not permitted.

38 - Candidates approved and ranked in the selection process referred to in this Notice shall take a foreign language proficiency examination, in accordance with the PPGE Bylaws and subsequent guidelines, in a calendar to be published during the academic year.

39 - The PPGE Bylaws, as well as information about the research lines and advisors, are available to candidates on the electronic page of the PPGE (<http://www.ufal.edu.br/unidadeacademica/cedu/pos-graduacao/mestrado-e-doutorado-em-educacao/documentos/documentos-do-programa>).

40 - Omitted cases in this Notice shall be resolved by the PPGE Selection Committee proposed for this Notice.
